Insulation

WARNING

During installation allow a 200mm gap around the light with no insulation, to allow for effective heat dissipation.

AVERTISSEMENT

Lors de l'installation, laissez un espace de 200 mm autour de la lumière sans isolation, pour permettre une dissipation efficace de la chaleur.

WARNING

Lassen Sie bei der Installation einen Abstand von 200 mm um die Leuchte ohne Isolierung ein, um eine effektive Wärmeableitung zu ermöglichen.

ADVERTENCIA

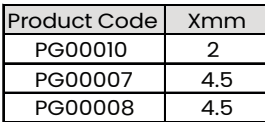

Durante la instalación, deje un espacio de 200 mm alrededor de la luz sin aislamiento para permitir una disipación efectiva del calor.

AVVERTIMENTO

Durante l'installazione lasciare uno spazio di 200 mm attorno alla luce senza isolamento, per consentire un'efficace dissipazione del calore.

OPOZORILO

Med namestitvijo pustite 200 mm reže okoli luči brez izolacije, da omogočite učinkovito odvajanje toplote.
